## CPD Overview

---

At Planet Partitioning we design, manufacture, supply and install demountable partitioning systems, acoustic and fire performance partitioning and doors.

An innovative business with over 40 years' experience, we work typically with leading architects and primary contractors in the commercial sector, and provide a national and international service.

Whatever your project, we'll work with you to identify your precise needs, and then find the most efficient way to meet them. Drawing on expertise and insights from our talented in-house design team, structural engineers and project managers, we'll help you achieve outstanding performance and commercially viable solutions, on time and on budget.
