ASCOT EST. 1938
ARCHITECTURAL SIGNAGE & METALWORK

Available CPD Material (2)

Wayfinding in an equal world

Easy to absorb and dynamic coverage of the compliance requirements for creating effective signage for all user groups, along with key pointers, strategies, methodologies and materials for creating, postioning,installing and maintaining them.

Material type:	Seminar
RIBA Core Curriculum:	Inclusive environments Legal, regulatory and statutory compliance
Knowledge level:	General Awareness

Multiple formats

Canopies and Entranceways

This CPD presentation introduces and explains how architectural signage can be designed and incorporated into canopies and main entrances to private and public building across most market sectors. This will offer the building designer the opportunity to create stunning, yet functional statement features. There are certain design considerations and performance criteria to be aware of, in order that designer can confidently make a specification. This CPD will cover these aspects, supported by case studies.

Material type:	Online Learning, Seminar
RIBA Core Curriculum:	Design, construction and technology
Knowledge level:	General Awareness
