CPD Overview

Available CPD Material (4)

Multiple formats

Specifying luxury vinyl tiles for commercial and residential buildings

This CPD reviews all the key considerations for the specification of luxury vinyl floor coverings such as key product features and applications, technical and environmental credentials, compliance considerations and installation and maintenance.

By the end of the CPD you should have a greater understanding of:

- The construction of LVT and functions of different layers
- The key features of LVT and its wide range of applications
- The key standards and compliance considerations
- The environmental credentials of LVT and its impact on wellbeing
- Installation and maintenance considerations

Material type: Online Learning, Seminar

RIBA Core Curriculum: **Design, construction and technology**

Knowledge level: General Awareness

**Specification of Safety Vinyl Floorcoverings**

This CPD will cover the following topics:

- Health and Safety issues
- Legislation
- Safety flooring characteristics
- Slip resistance test methods
- Applications
- Industry standards
- Detailing
- Maintenance
- Sustainability

Material type: Seminar

RIBA Core Curriculum: **Design, construction and technology**
Health, safety and wellbeing

Knowledge level: General Awareness

Specification of Vinyl Floor Coverings

This seminar will cover the following topics:

- Knowledge of different vinyl flooring types
- Understanding of properties of applications, including design possibilities
- Regulations/ guidelines
- Installation of maintenance
- Sustainability
- Increased confidence in specification

Material type:

Seminar

RIBA Core Curriculum:

Design, construction and technology

Knowledge level:

General Awareness

Specification of Dementia-Friendly Flooring

This CPD will cover the following topics:

- Understanding of what is dementia
- Types & symptoms of dementia
- Design to support living well with dementia
- Appropriate HBN Guidance
- Importance of holistic approach – consideration of lighting, signage and acoustics etc as well as flooring

- Design principles for dementia-friendly flooring
- Developed to increase confidence in specification for dementia-led facilities

Material type:

Seminar

RIBA Core Curriculum:

Design, construction and technology
Legal, regulatory and statutory compliance

Knowledge level:

General Awareness
